

Caremark Home Care & Live In Care (Weymouth)

Unit 11, basepoint business centres
Weymouth, Dorset DT4 7BS
United Kingdom

At Caremark we understand that some of the daily routines that many people take for granted can become difficult or restrictive. Our role is to help you remain independent at home and to enjoy life to the full. As care providers we aim to support you not only with care at home but also within the community at large, assisting in your sense of inclusion and wellbeing. The homecare support offered by Caremark is truly flexible and can be tailored to suit you and your family's needs.
